

Sedate and ventilate workshop.

Discussing sedation and ventilation within the ICU

11 February 2025

Hamilton Medical UK and Sedana Medical UK invites you to an interactive workshop combined with presentations from renowned medical specialists within critical care, discussing the practicality and benefits of inhaled sedation alongside lung protective ventilation. Join us and experience hands-on workshops and listen to case studies supporting their scientific theories.

This workshop accredits you with **4 CPD points** from the Royal College of Anaesthetists.

Date: 11 Feb 2025

Arrival: 09.30-10:00 hrs

Venue: Crowne Plaza Reading East, Wharfedale Road, Winnersh Triangle, RG41 5TS (five minute walk from Reading train station)

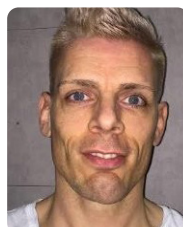

Parking: On site parking available, please enter your registration upon arrival

Tickets: £10 registration fee; donated to [ICUSteps](#) charity incl. lunch tickets available at: [Sedate and Ventilate Workshop Tickets, Tue 11 Feb 2025 at 09:30 | Eventbrite](#)
